The Great Harvest Team thanks you for choosing a local, employee owned and operated bakery where everything is from scratch and our wheat is milled every day.

Breads hot out of the oven need about 1 hour to cool before slicing.  
 Keep breads at room temp and they should stay fresh for 7-10 days.  
 Freeze for longer preservation.  
 Cheese breads should be eaten or frozen within 3-4 days.  
 All hot breads must be completely cool before putting in plastic bag.
